

# Freedom (feat. Jack McManus)

## Afrojack & D-wayne

And everyone is a casualty  
Oh oh oh, I just didn't  
know it was me  
I was blind, and I couldn't see  
Oh oh oh, I couldn't see.  
Caught in the last line  
Where you tonight?  
Fighting to the other side  
But it feels, but it feels, alright!
