

Outta Your Head

Aerosmith

All the way back in a history
How a girl thinks is a mystery
We spend our lives cruisin' the bars
The Venus girls and the men from mars
So in all this time did you ever think
Do the girl see red when the man sees pink
And if your best lovin's in the past
'Cuz you're somewhere slow is nowhere fast
You're outta your head... yeah
So outta your head... yeah
Stay outta your head
You better get with it
'Cuz you're so without it
You're outta your head... yeah
So outta your head... yeah
Stay outta your head
(Somewhere somewhere underneath the rainbow)
Aaar...bricka braka fiya kraka sis boom-bah
Here's comes trouble in a push up bra
Your style is sharp as carpet tack
But you're out of your box and you're way off track
You can moderate on a mental binge
Your catastrophe's on a lunatic fringe
It's good for the gander it's tit for tat
You say it's all good but it's more than that
You're outta your head... yeah
So outta your head...yeah
Stay outta your head
You better get with it
'Cuz you're so without it
You're outta your head...yeah
So outta your head...yeah
Stay outta your head
So in all this time did you ever think think think think think...
So outta your head...yeah
So outta your head...yeah
Stay outta your head
You better get with it
'Cuz you're so without it

So outta your head...yeah
So outta your head...yeah
Stay outta your head
Out of your head... yeah
Stay outta your head...yeah
Stay outta your head...yeah
You better get with it
'Cuz you're so without it
So outta your head...yeah
So outta your head...yeah
Stay outta your head

(Somewhere somewhere underneath the rainbow)
(Somewhere somewhere underneath the rainbow)
(Somewhere somewhere underneath the rainbow)
