

# New York, New York

[Liza Minnelli](#)

Start spreading the news, I'm leaving today  
I want to be a part of it, New York, New York  
These vagabond shoes are longing to stray  
And step around of heart of it, New York, New York I want to wake up in the city, that doesn't sleep  
To find I'm king of the hill, top of the heap My little town blues, are melting away  
I'll make a brand new start of it, in old New York  
If I can make it there, I'll make it anywhere  
It's up to you, New York, New York New York, New York  
I want to wake up in the city, that doesn't sleep  
To find I'm king of the hill  
[Incomprehensible] top of the heap My little town blues are melting away  
I'll make a brand new start of it, in old New York  
If I can make it there, I'll make it anywhere  
[Incomprehensible] New York, New York My little town blues are melting away  
I'll make a brand new start of it, in old New York  
If I can make it there, I'll make it anywhere  
[Incomprehensible] New York, New York
