A Bolt From the Blue

Meg Myers

There, you were there, you were there in your armour
Stare, saw the red in your eyes and I was honored
Sky, in the sky, in the sky I was falling
Scared, I was scared, I was scared and then you caught meAnd baby, I just wanna be with you
Baby, I need to know your love is true
Baby, I just wanna be with you
Baby, you hit me like a bolt from the blueShy, you were shy, you were shy, in the water
Cry, I was crying so much, we fell in farther
Air, in the air, in the air, we touched lightning
Quiet, so quiet, I could only hear your heartbeatAnd baby, I just wanna be with you
Baby, I need to know your love is true
Baby, I just wanna be with you
Baby, you hit me like a bolt from the blue
Scared, I was scared, and I was falling
Scared, I was scared, and then you caught me
Oo, oo
Oo, oo
And baby, I just wanna be with you
Baby, I need to know your love is true
Baby, I just wanna be with you
Baby, you hit me like a bolt from the blue.
