

Live and Let Die

[Geri Halliwell](#)

When you were young and your heart was an open book
You used to say live and let live
You know you did, you know you did, you know you didBut if this ever changin' in which we live in
Makes you give in and cry
Say live and let die, live and let die
What does it matter to ya?When ya got a job to do, ya got to do it well
You got to give the other fella hell
You used to say live and let live
You know you did, you know you did, you know you didBut if this ever changin' in which we live in
Makes you give in and cry
Say live and let die, live and let die
