

Ruby

Dustin Kensrue

I've been foolish and blind,
Time after time, girl, I've let you down.
And I'm losing my mind,
Tryin' to find a way to show you now,
That you are all I want.
You are all I want. Girl, I'm down on my knees,
Begging you please, I need another chance.
But you're not looking at me,
Are you hearing my plea?
Won't you take my hand? (Chorus)
'Cause Ruby, you're all that I want,
My heart and my treasure.
Ruby, you're all that I need,
For now and forever. You are all I want.
You are all I want. I know that talk is cheap,
And words seem weak,
Coming from this broken man.
Still, I will speak, 'cause I can't sleep,
Until you truly understand. (Chorus)
Don't want diamonds or gold,
When I've got my ruby to hold.
You know I'm in ecstasy,
I can't ever get enough. Don't want platinum or pearls,
I'd trade all the jewels in the world,
Just to have you next to me.
I can't live Without your love, no... (Chorus x3)
You are all I want.
