

Canned Heat - Radio Edit

Jamiroquai

You know this boogie is for real.
I used to buy my faith in worship,
But then my chance TO GET to Heaven slipped
I used to worry about the future
But then I throw my caution to the wind.
I had no reason to be care free
No no no, until I took a trip to the other side of town
Yeah yeah yeah, you know I heard that boogie rhythm
Hey- I had no choice but to get down down down down. CHORUS Dance, nothing left for me to do but dance,
Off these bad times I'm going through just dance
Got canned heat in my heels tonight baby I feel the thunder see the lightning
I know this anger's heaven sent.
So I've got to hang out all my hang-ups
Because of the boogie I feel so hell bent
It's just an instant gut reaction, that I got
I know I never ever felt like this before,
I don't know what to do
But then that's nothing new,
Stuck between hell and high water
I need a cure to make it through. Hey- dancing nothing left for me to do but dance
Off these bad times I'm going through just dance,
Hey got canned heat in my heels tonight baby
You know know know I'm gonna dance yeah
Off all the nasty things that people say. You know know know I'm gonna dance yeah
Oh the nasty things that people say, but I'm gonna make it anyway...
Dance yeah! Got canned heat in my heels tonight baby!
You know I've got canned heat in my heels baby
You know this boogie is for real...
Only the wind can blow the answer
And she cries to me when I'm asleep
She says you know that you can go much faster
I know that people's talk can be so cheap
Yeah yeah
I got this voodoo child in vein on me
I'm gonna use my power to ascend
You know I got these running heels to use
Sometimes there's no way to lose
I was born to run
And built to last

You've never seen my feet
They can go so fast Dance...yeah, hey!
Nothing left for me to do but
Dance
All these bad times I'm going through just
Dance...Hey
Got Canned Heat in my heels tonight, baby Hey I've got to dance yeah!
Oh the nasty things that people say
But I'm gonna make it anyway,
Dance yeah!
Got canned heat in my heels tonight baby You know this boogie is for real ,
So much canned heat in my heels yeah!
Gonna dance, gonna dance my blues away tonight,
You know I'm gonna dance my blues away, You know this boogie is for real ,
