

# Rubberband Man

## Detroit Spinners

Hand me down my walkin cane  
Hand me down my hat  
Hurry now and dont be late  
'Cause we aint got time to chatYou and me, were goin out  
To catch the latest sounds  
Guaranteed to blow your mind  
So high, you wont come downHey, yall prepare yourself for the Rubberband Man  
You never heard a sound like the Rubberband Man  
Youre bound to lose control  
When the Rubberband starts to jamOh, Lord, this dude is outta sight  
Everything he does  
Seems to come out rightOnce I went to hear them play  
At a club outside of town  
I was so surprised, I was hypnotized  
By the sound this cats puttin downWhen I saw this short fat guy  
Stretch a band between his toes  
Hey, I laughed so hard cause the man got down  
When he finally reached his goalHey, yall prepare yourself for the Rubberband Man  
You never heard a sound like the Rubberband Man  
Youre bound to lose control  
When the Rubberband starts to jamGot that rubberband  
Up on his toes  
And then he wriggled it up  
All around his noseGuaranteed to blow your mind  
Playin all that music, yet keepin time  
Where in the world did he learn that, oh, Lord  
Lord, help him get awayHey, yall prepare yourself for the Rubberband Man  
You never heard a sound like the Rubberband Man  
Youre bound to lose control  
When the Rubberband starts to jamRubberband Man, Rubberband Man  
How much of this stuff do he think we can stand  
So much rhythm, grace and debonair from one man, Lord  
And then he had nerve to wiggle his left toe  
To his knee, got the feelin in his head, yall  
Oh, come on, babyHey, yall prepare yourself for the Rubberband Man  
([Incomprehensible])  
You never heard a sound like the Rubberband man  
(Never heard a sound, oh, he's my man)  
Youre bound to lose control

(And he likes to jam)

When the Rubberband starts to jam Rubberband Man starts to jam

Movin up and down across the land

Got people all in his ways

Everything about him seems out of place Just a movin, just a movin, just a move, move, movin

Just a Rubberband, Rubberband Man

Just a movin, just a movin, just a move, move, movin

Just a Rubberband, Rubberband Man Get down

Oh, get down lover
