

Soulfight (Live at Harvest the Music)

The Revivalists

Well isn't anybody home in here
it's getting cold and I just don't care,
so I'll gonna find something else to do, uh-huh.
Just take a really good look at me
I'm twenty-two and I still don't see, why
all of you people just can't get along, anymore.
'Cause fallin' down ain't so hard to do,
your only crutch be the bottle of brew
so I'm gonna find something else to do
'Cause if I ever was say to you
all of the things that you wanted me to, Luv
I'd have to find something else to do, uh-huh. So I'm gonna stand here by your fire,
'cause it's a cold one tonight.
I'm taking care of soulfight,
and you're the reason why
Well I don't ask question and I don't tell no lies,
it's the reason why.
I'm taking care of soulfight,
and you're the reason why. Oh my God I almost died last night.
Wrecked my car then I totalled my life.
So I'm gonna find something else to do, ah-huh.
'Cause if I ever was say to you
all of the things that you wanted me to, Luv
I'd have to find something else to do, ah-huh.
So I'm gonna stand here by your fire,
'cause it's a cold one tonight.
I'm taking care of soulfight, Babe
and you're the reason why
Well I don't ask question and I don't tell no lies,
it's the reason why.
I'm taking care of soulfight,
and you're the reason why,
well you're the reason why,
oh you're the reason why,
oh you're the reason why. So Mother Mary won't you come sing a song for me
and make it last all damn night.
'Cause you know I can't hang on to see
when this noose pulls me so tight.
Well I would scratch and bleed from my fingernails

till every bit of me was gone
'cause I didn't want her,
and I didn't need her,
so now I leave it alone. Whooh, so I'm gonna stand here by your fire,
'cause it's a cold one tonight.
I'm taking care of soulfight,
and you're the reason why.
Well I don't ask question and I don't tell no lies,
and that's the reason why.
I'm taking care of soulfight,
and you're the reason why.
Well you're the reason why.
Well you're the reason why.
Well you're the reason why.
Ah-huh So I'm gonna stand here by your fire,
'cause it's a cold one tonight.
I'm taking care of soulfight,
and you're the reason why.
