

Heartbreaker

The Lonely Hearts

Honey, you are tied to me as I am tied to you
And you have got me twisted like you've always wanted to
But no one in this world could hurt me like I know how to
Well, it's pain whenever I walk from a room 'Cause I'm a heartbreaker, I'm a heartbreaker
But I'm gonna try to change your life
If it's the last thing that I do
'Cause you might be a heartbreaker too And darling, you have seen me when I swear I was at my worst
The Sabbath or a weekday, it don't matter which comes first
And there are days when my existence feels just like a curse
Well, you've seen pain, I've often time rehearsed 'Cause I'm a heartbreaker, I'm a heartbreaker
But I'm gonna try to change your life
If it's the last thing that I do
'Cause you might be a heartbreaker Yeah, you think that you are one of a kind
But you two at best, it's true
And you think that you are always on my mind
But I've got some news for you
Oh, I've got some news for you 'Cause I'm a heartbreaker, I'm a heartbreaker
But I'm gonna try to change your life
If it's the last thing that I do, oh yeah
'Cause you might be a heartbreaker too
