

# Til Itâ€™s Gone

## Britney Spears

I'm blind from the tears that fall like rain.  
So lost ever since you went away.  
Some times our lives forever change,  
my heart is never going to be the same.  
Cause you came and you gave me a place.  
A place to lay all my pain,  
watch you take it away.  
Corus:  
You never know what you've got 'til its gone.  
You never know what you've got 'til its gone.  
You never.  
You never.  
You never.  
You never.  
You never know what you've got 'til its  
Gone.  
Gone.  
Gone.  
Gone.  
Til Its Gone.  
Gone.  
You never know what you've got 'til its Gone. I try every night to turn the page,  
but day light can confine me to a cage.  
In my mind, the life we had replaced,  
now everywhere I turn I see your face.  
Cause you came and you gave me a place.  
A place to lay all my pain,  
watch you take it away. You never know what you've got 'til its gone.  
You never know what you've got 'til its gone.  
You never.  
You never.  
You never.  
You never.  
You never know what you've got 'til its  
Gone.  
Gone.  
Gone.  
Gone.  
Til Its Gone.  
Gone.

You never know what you've got 'til its Gone.
