

# Wailin'

## Johnny Nocturne Band

In the zone like Keyser Soze, always the usual suspect

    No check, all I got in this game is my respect

    And southern pride I be, checkin' my fuckin' head

    Scared, lookin' up in your face, Boy I see dead

    If you test like SAT, then I guess that we may be

        Enemies in the P's freestyles be freebies

    I be that wrong nigga to fuck with, wouldn't I

Wouldn't I be the wrong one to try, never eating chicken thighsOnly the twenty piece mojo, flow zone like Flo

    Jo

    I wanted to figure out, just how low could yo' hoe go

    The beat hit like Beat Street, Krush Groove and Breakin'

        Never bakin', rebukin' satan, we had you waitin'

    For the second coming funny how time flies when you're rhymin'

        La-Fa-Ce records, I think they got that perfect timin'

        To be doper than Saddam believe the Nation of Islam

    Fuck the police and the dogs, sniffin' that dope up out your car

        I think they overstep they boundaries

OJ, not guilty, that's how they found heI felt the pressure like sun shinin', while raining at the same time

    I kept on rhymin', not complainin'

    Storm bringing cats and dogs my catalog be the size of golf balls

    Throw up your daisy dukes, I'm hazardous to all you boss hoggs

        And Roscoe P. Col' people, who could boost my locomotive

    But enough of that everyone can rap unless they ain't supposed to

        I use my gift of gab to boast and brag in every rhyme I

Compose won't y'all get sick of that'Cause I know I do when I hear those

    Flows that ain't hip hop, you find that shit in the gift shop

        But to each his own, my speech is gon'

        Keep that shit up outta my zone

        Long as you happy then I'm happy

    Even if you just hate my fuckin' guts go 'head and damp me

        Cause I'm gon' damp you anyway and then go home

    And pray for yo' ass later 'cause we might need you in this war

        I'm wailin' on you traitors like that
