Hellbound

Jerry Cantrell

Going down a last act scene
Curtain call begin bowing
Self-appointed abused king
Hellbound, it's my beliefBlack eat white, cassette thrill
Whatever come, eat your fill
Choke on bones, flowing stream long still
The truth is to some degree, we all steal, yeahHey now
Come 'round
Hellbound
Going way downJustified, a self-made man
All I do is do what I can
Edge's sharpened, blasted sand
Bizarre, devoted fanBlack eat white, cassette thrill
Whatever come, eat your fill
Choke on bones, flowing theme blown will
The truth is to some degree, we all steal, yeahHey now
Come 'round
Hellbound
Going to stay down[Incomprehensible], a fish belly rust
Sad chapter read last page firstBlack eat white, cassette thrill
Whatever come, eat your fill
Choke on bones, flowing dream now killed
The truth is to some degree, we all steal, yeahHey now
Come 'round
Hellbound
Going way downHellbound
Hellbound
Hellbound
