Goodbye Is All We Have

Alison Krauss & Union Station

I'm soaring the sky, I can hear the birds
And man they don't lie
How you gonna catch me, When I'm this highI'm moving on
I got the words to a brand new song
How you gonna catch me, when I'm this close(Chorus:)
Gone tommorow here today
Just in case you got somethin' to say
I'll be leaving with the breast of goodbye
Is all we haveI disconnected the phone
Told the neighbors I'll be heading home
As soon as the light hits the morn
I'm heading north
Gonna see what this heart's really worth
I guess it's time to be on my own(Chorus:)
Gone tommorow here today
Just in case you got somethin' to say
I'll be leaving with the breast of goodbye
Is all we haveI sure would love to see you tonight
Maybe try to end this fight
If I don't hear you knockin on my door
Then I'll know for sure(Chorus:)
Gone tommorow here today
Just in case you got somethin' to say
I'll be leaving with the breast of goodbye
Is all
(Chorus:)
Gone tommorow here today
I'll be leaving with the breast of goodbye
Is all we have
