

# Benjamin

## Burning Star Core

Take me away  
I know I could use a rest  
I wanna clear up this mess  
I need a few days with my good sense  
I need a few good days  
Benjamin, no, oh...  
Benjamin, no, oh...  
Benjamin, no...  
where did you go?  
no, no...  
when you were falling from my tree  
I was not scared  
I thought you'd meet me back up there  
it never dawned on me you were home free  
it never dawned on me, no...  
Benjamin, no, oh...  
Benjamin, no, oh...  
Benjamin, no...  
  
where did you go?  
no, no, no...  
Benjamin, no, oh...  
Benjamin, no, oh...  
Benjamin, no...  
where did you go?  
no, no...  
you said that I could tie you down, no...  
you said that I could tie you down, no...  
you said that I could tie you down, no...  
you said that I could tie you down, no...  
take me away  
I know I could use the rest
