Venus Doom

HIM

Leave all behind now to watch her crawl Through our dark gardens of insanity She'll be the light to guide you back home Just give her a kiss worth dying for And open your armsWatch me fall for you, my Venus Doom Hide my heart where all dreams are entombed My Venus DoomGrieve all your hearts out and she'll writhe Enthralled in tragic ecstatic agony And in her flames we will die some more Just show me her life worth living for And light up the darkWatch me fall for you, my Venus Doom Hide my heart where all dreams are entombed My Venus Doom All dreams are of you, my Venus DoomHold me inside your infernal offering Touch me as I fall Don't lose yourself in this suffering

Don't lose yourself in this suffering
Yet hold onHold me inside your infernal offering
Touch me as I fall

Don't lose yourself in this suffering
Yet hold on to meWatch me fall for you, my Venus Doom
Hide my heart where all dreams are entombedWatch me fall for you, my Venus Doom
Hide my heart where all dreams are entombed
My Venus Doom

All tears are of you, my Venus Doom
