Trials & Tribulations

Cracker

(I think should be played with a capo on g) g
G-c-g-c-g-bb-a-g
D-g-a-d-c-d-c7-bb-a-g
Bb-a-gWhen your only girl betrayed you, boy,
What did you do with your wisdom?
Well you loved that girl again, loved that girl again
Now who you got to blame for your trials and tribulations?What did you do when you found the man,
The one who stole your good girl?
Well you cut him up and down, heard you cut him all around
Now who you got to blame for your trials and tribulations?Well I tried to tell you
But you run and hide
Down by the riverbed
Stay drunk all night
It weren't no lady
With scorpion
Well, you're just another rabbit on the run
When they dragged you to the courthouse, boy,
What did you do with your wisdom?
Well you cursed the judge again, cursed the judge again
Who you gonna blame for your trials and tribulations?
Well I tried to tell you
But you run and hide
Down by the trestle bridge
With a .45
It weren't no lady
With scorpion
Well, you're just another rabbit on the ru
