

The Ubiquitous Mr. Lovegrove (Remastered)

Dead Can Dance

I thought that you knew it all
Well you've seen it ten times before.

I thought that you had it down
With both your feet on the ground.

I love slow ... slow but deep.
Feigned affections wash over me.

Dream on my dear
And renounce temporal obligations.

Dream on my dear

It's a sleep from which you may not awaken. You build me up then you knock me down.

You play the fool while I play the clown.

We keep time to the beat of an old slave drum.

You raise my hopes then you raise the odds

You tell me that I dream too much

Now I'm serving time in disillusionment. I don't believe you anymore ... I don't believe you. I thought that I
knew it all

I'd seen all the signs before.

I thought that you were the one

In darkness my heart was won. You build me up then you knock me down.

You play the fool while I play the clown.

We keep time to the beat of an old slave drum.

You raise my hopes then you raise the odds

You tell me that I dream too much

Now I'm serving time in a domestic graveyard. I don't believe you anymore ... I don't believe you. Never let it be
said I was untrue

I never found a home inside of you.

Never let it be said I was untrue

I gave you all my time.
