

The Truth

Royal Bliss

I've been drinkin' since Friday
Go to church on Sunday
It was a hell of a Monday
And a hell of a ride
This life I'm livin'
Well its unforgivin'
But I've paid for my sins and I
Done right
When I found you
You keep me runnin' baby
Even when I'm runnin' crazy
I could never do this without you
When I'm out there on the edge I hear your voice inside my head
No I could never do this without you
And that's the Truth
One to one on the lable
Two fingers for the haters
Give me three for the table
And keep 'em comin' all night
This bottle of whiskey
No it aint gonna fix me
I needed someone to save me and
I done right
When I found you
You keep me runnin' baby even when I'm runnin' crazy I could never do this without you
When I'm out there on the edge I hear your voice inside my head
No I could never do this without you
I would never lie to you baby I will live and die by the truth
It always brings me home to you - yeah
Girl you keep me runnin' baby even when I'm goin' crazy
I could never do this without you
When I'm out there on the edge I hear your voice inside my head
No, I could never do this without you
Girl you keep me runnin' baby even when I'm goin' crazy I could never do this without you
When I'm up here on the edge I hear your voice inside my head no I could never do this without you
And that's the Truth
That's the Truth
