

Broken Lines

Noctilucent

Let me no waste my time, on these broken lines,

Let me be what I am born to,

Let us just start again and there's no way that I can tell you how this will end.

(oh)

Come and get to me,

Girl don't you see,

I don't want to see you saying here goodbye to me,

Let us no waste our time on these broken lines,

Let us just be together one more time,

Close to me.

Can you be close to me?

Can you be close to me?

Can you be close to me?

Close to me.

Can you be close to me?

Can you be close to me?

Can you be close to me?

Close to me.

Let me no waste my time, on these broken lines,

Let me be what I am born to,

Let us just start again and there's no way that I can tell you how this will end.

Come and get to me,

Girl don't you see,

I don't want to see you saying here goodbye to me,

Let us no waste our time on these broken lines,

Let us just be together one more time,

Close to me.

Can you be close to me?

Can you be close to me?

Can you be close to me?

Close to me.
