

# A Dream Is a Wish Your Heart Makes

Lily James

A dream is a wish your heart makes  
When you're fast asleep  
In dreams you lose your heartaches  
Whatever you wish for, you keep

Have faith in your dreams and someday  
Your rainbow will come smiling through  
No matter how your heart is grieving  
If you keep on believing  
The dream that you wish will come true

A dream is a wish your heart makes  
When you're feeling small  
Alone, in the night you whisper  
Thinking no one can hear you at all

You wake with the morning sunlight  
To find fortune that is smiling on you  
Don't let your heart be filled with sorrow  
For all you know tomorrow  
The dream that you wish will come true

A dream is a wish your heart makes  
A dream is a wish your heart makes  
You wake with the morning sunlight  
To find fortune that is smiling on you  
Don't let your heart be filled with sorrow  
For all you know tomorrow  
The dream that you wish will come true  
No matter how your heart is grieving  
If you keep on believing  
The dream that you wish will come true
