

Sukiyaki

A Taste Of Honey

It's all because of you, I'm feeling sad and blue
You went away now my life is just a rainy day
I love you so, how much you'll never know
You've gone away and left me lonely Untouchable memories seem to keep haunting me
Of love so true that once turned all my gray skies blue
But you've disappeared, now my eyes are filled with tears
I'm wishin you were here with me Soft with love are my thoughts of you
Now that you're gone I don't know what to do If only you were here, you'd wash away my tears
The sun would shine and once again you'd be mine, all mine
But in reality you and I will never be
Cause you took your love away from me, hooh If only you were here, you'd wash away my tears
The sun would shine, once again you'd be mine, all mine
But in reality you and I will never be
Cause you took your love away from me, hooh, baby
You took your love away from me Sayonara
