

On The Radio

Groove Coverage

Hello Mr. DJ
Would you play my song
Please, please, play it
All night long.
Hello Mr. DJ
On the radio
Calling every station
On the air
Sending out the message
Everywhere
Tell it everybody
On the radio Oh, oh, oh
Everybody, everywhere
Please call the DJ on the air
From Moon to Mars
And everywhere
Please call the DJ
On the air Hello Mr. DJ
I'm losing sleep
Please, please, play it
My knees are gettin' weak
Hello Mr. DJ
On the radio
If you're not gonna play it
I go insane
If you're not say it
I lose my brain
So tell it everybody
On the radio Oh, oh, oh
Everybody, everywhere
Please call the DJ on the air
From Moon to Mars
And everywhere
Please call the DJ
On the air Oh, oh, oh
Everybody, everywhere
Please call the DJ on the air
From Moon to Mars
And everywhere

Please call the DJ
On the air(DJ on the)Oh, oh, oh
Everybody, everywhere
Please call the DJ on the air
From Moon to Mars
And everywhere
Please call the DJ
On the air...
