

# There She Goes

## Good Charlotte

I feel so far away  
From everything I used to be  
So I just hang my head  
And feel ashamed like there's nothing I can do  
I thought no time or space could separate us  
With all that we've been through  
But now she's on a plane  
She's miles away  
And I just wanna go home  
Oh, there she goes  
So beautiful  
But she says she don't know who I am  
Oh, there she goes  
So beautiful  
But she's crying 'cause she liked me better when  
I was different no one knew me then  
Back in Maryland way before LA  
I had everything  
Can't forget the days  
I was back home in Maryland  
We lived too far away  
From anything to run the race back then  
From all these cities streets  
The jaded me they make me feel this way  
Now my thoughts drift away to summer days  
When I see your face  
You'd always smile at me  
I felt so safe  
And i just wanna go home  
Oh, there she goes  
So beautiful  
But she says she don't know who I am  
  
Oh, there she goes  
So beautiful  
But she's crying 'cause she liked me better when  
I was different no one knew me then  
Back in Maryland way before LA  
I had everything

Can't forget the days  
I was back home in Maryland  
She lifted me up for the first time  
When I saw the world with my own eyes  
But now that you're gone I miss you so much more  
Oh, there she goes  
So beautiful  
And she's flying back on to Maryland  
Oh, there she goes  
So beautiful  
But she's crying  
'Cause she liked me better when  
Oh, there she goes  
So beautiful  
But she says she don't know who I am  
Oh, there she goes  
So beautiful  
But she's crying 'cause she liked me better when  
I was different no one knew me then  
Back in Maryland way before LA  
I had everything  
Can't forget the days  
I was back home in Maryland  
(Oh, there she goes so beautiful)  
But she's crying, Maryland  
(Oh, there she goes so beautiful)  
I'm dying to get home
