

Run Away

M.C. Sar & The Real McCoy

Money
sex & thought control
A generation without soul
 Perfect people
 In a perfect world
 Behind closed doors
 All in control
 Life in a world of luxury
 Cold cash money mentality
 You gotta keep the faith
 You gotta keep the faith
 You better keep the faith
 And run awayRun away
 run away
 Run away and save your life
 Run away
 run away
Run away if you want to surviveIt's time to breath free
 Ohoho
 Run away oho
 You better breath free
 Ohoho
 Run away ohoMoney
 sex & thought control
 Big brother is watchin' you
 Unplug your brain
 And save your soul
 No more limits -
 No preview life
 In a perfect system
 Take a stand
 And fight for freedom
 Keep the faith
 You gotta keep the faith
 You better
 Keep the faith
 And run awayRun away ...
