No Words

Syleena Johnson

Just the mere thought of you makes me, ooh wee
And I, I, I ooh, ooh, ooh and
Every time you touch me I, I, I
Oh, whoa so I'Cuz you make me feel so good
That I can't put it in words
And I feel so good
'Bout you, that I can't put it in wordsEvery single word you say
Hey, hey, hey, I, I, I
See and I can't get enough of you
'Cause I, ooh, I, I, IYou make me feel so good
That I can't put it in words
And I feel so good
'Bout you, that I can't put it in wordsI, I can't find the words to say it
Really, I just can't explain it
And I don't understand it
But I won't take it for granted'Cause it makes me feel so good
And I don't know, oh, how I could
Let myself overlook it
A love so beautiful and pureYou make me feel so good
That I can't put it in words
And I feel so good
'Bout you, that I can't put it in wordsYou make me feel so good
That I can't put it in words
And I feel so good
'Bout you, that I can't put it in wordsSee I don't know what to say about it
And I don't know what do about it
So I, so I, so I, so I
