Behind Those Eyes

Empty Handed

You said, "I've something to say"
Then you got that look in your eye
"There is something you've got to know"
And you said it as you started to cry
I've been down the wrong road tonight
And I swear I'll never go there again
I've seen this face once before
And I don't think I can do this again
There's something I can see
There's something different in the way you smile
Behind those eyes you lie
And there's nothing I can say
'Cause I'm never gonna change your mind
Behind those eyes you hide
As you turned to walk away
I saw another look in your eye
And even though it hurt like it did
I couldn't let this be a goodbye, oh, no
You say that you're sorry
And you say now that it hurts you the same
Is there something here to believe
Or is it just another part of the game?
There's something I can see
There's something different in the way you smile
Behind those eyes you lie
And there's nothing I can say
'Cause I'm never gonna change your mind
Behind those eyes you hide
Oh yeah, ooh, oh
Behind those eyes you lie
Behind those eyes you hide
And there's something I can see
There's something different in the way you smile
Behind those eyes you lie
And there's nothing I can say
'Cause I'm never gonna change your mind
Behind those eyes you hide
There's nothing I can say
That's ever gonna make you change your mind

Behind those eyes you hide
Behind those eyes you lie
