

I'm So Tired of Rock'n'Roll

[Fielfraz](#)

I'am so tired of R&R
I'am so tired of R&R
It's something I feel deep down in my soul

I don't know what it is
I don't know what it is
but I'am so tired of R&R
'cause R&R can't fill me up or satisfy my soul

Brother I swear it used to take me high
Brother I swear it used to take me fly
now I fall like rain from the silver sky

I don't know what it is
I don't know what it is
but I'am so tired of R&R
'cause R&R can't fill me up or satisfy my soul

My heart used to beat for R&R
now it makes me do things that I can't control
this sound is all you've got
and nothing can keep its bigmouth shut

Little big man, let your hair hang down
let your hair grow long till it hits the ground
because the world is all yours, take it in
your hand
your future lies on the place where you stand

I don't know what it is
I don't know what it is
I don't know what it is
I don't know what it is

Little big man, let your hair hang down
â€¦ etc.
