Woo

Uh, I'm just in my zone You'd be lying if you said
I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into
Don't need to hide it
You can be mine let's take it slow Man he's a hater I'll let it slide, I came for you
You'd be lying if you said
I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into
Don't need to hide it
You can be mine let's take it slow
Man he's a hater
I'll let it slide, I came for you (oh yeah)
When I was in a party it was on me
I remember it all, it was last week
When I stepped in it, it was all free
Haven't seen the spill on your Jeans (thats right)
Do you remember asking me what I'm into
I replied music 'baby follow my Insta'
Show you what I'm into deeps what I'm into All you two face friends ya I been through
You'd be lying if you said I wasn't somethin' you're into yeah
(Just tell me the truth girl)
You lying to yourself, I told you my name is Akelle
Been in and out girls, must being able to tell
I been dying for a chance to tell you I'm into you
Just tell me the truth girl Just tell me you like me (tell me you like me)
Tell me you want me yeah, yeah, yeah
You'd be lying if you said
I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into
Don't need to hide it You can be mine let's take it slow
Man he's a hater
I'll let it slide, I came for you
You'd be lying if you said I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into Don't need to hide it

You can be mine let's take it slow
Man he's a hater I'll let it slide, I came for you (oh yeah)

You'd be lying if you said I wasn't somethin' you was into
Mama would you buy this shit too? Bet she did
Never been one for them to the settle with Cellophane wrappin' it up as soon as I get with it
Menacin', Mendocino the? That I'm steppin' wit
Syllable why are these words not comprehendin' it Ending it mashing the works that's where your belly get
Trembling baby you ready that's how I end
You'd be stuntin' in front of your friends
You know what I'm into, into
Call me dumb and unfollow it
Baby girl that's what you can't do
So won't you take a straw with me girl
No stress off this, on me girl
'Cause I can make you scream (I can make you scream)
Just put your trust in me
You'd be lying if you said
I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into
Don't need to hide it
You can be mine let's take it slow
Man he's a hater
I'll let it slide, I came for you
You'd be lying if you said
I wasn't somethin' that you're into, into
Don't be stuntin' in front of your friends
You know what I'm into, into
Don't need to hide it
You can be mine let's take it slow
Man he's a hater
I'll let it slide, I came for you, woo
We ridin'
This time I decided
Forget all the pride and
You're in for a surprisin
We ridin'
This time I decided
Nana na eh
