

Winds of Change

Fitz & The Tantrums

Ooh ooh yeah yeah You don't know what you had
But you're gonna find I ain't so bad
When I'm gone and you're alone
No one to give it to you 'Cause now I know where it's at
That's right I'm wrong
It's such a drag that
The bitch is back
But not for long Any day now
Any way now Winds of change they blow in my direction
We both see that it's time
Go on cry don't say words of inspiration
We both know that it's time
So walk on by Ooh ooh
So walk on by
Ooh ooh Sittin' there your little throne
The queen of right got no king of wrong
To bring it on you play on
Go find someone else You never felt this before
But I don't feel the same anymore
'Cause I don't need this shit goin' on Any day now
Any way now Winds of change they blow in my direction
We both see that it's time
Go on cry don't say words of inspiration
We both know that it's time
So walk on by Ooh ooh
So walk on by
Ooh ooh Walk on by
Hanging clothes on the line
Does her wash to mark time
Me, I'm doin' fine
Then she sees me walk on by Walk on by
Ooh ooh
So walk on by
Ooh ooh
