Extra Ordinary

Hemachandra

I got a little bit of hope like a soap on a rope
Sweeter than sour, getting thinner by the hour
Fallin' fast and I?m runnin' out of gas
Muggin' on your sister, smart as Bobby Fischer
Still, I couldn't get arrested
Though I've got more hooks than Madonna got looks
Just like that AC/DC song
Come on baby, shake me all night long
All I wanna do is stay 'til early in the morning
(Oh, I love you, baby)
And all I gotta say, yeah is your love?s extraordinary
You?re extraordinary, baby
Somebody push me through the door
I been sleeping on a floor, 31 flavors, listen to the neighbors
Through the wall at a debutante ball
Cuma lada vista, got a Mona Lisa
So much for the late rent
'Cause your money?s spent and it?s cold inside
But just like that bare naked ladies song
I?m hot like wasabi when I?m next to your body
All I wanna do is stay 'til early in the morning
(Oh, I love you, baby)
And all I gotta say, yeah is your love?s extraordinary
You?re extraordinary, baby
Ain't love such a sweet thang?
Ain't love such a sweet thang?
Yeah!
All I wanna do is stay 'til early in the morning
(Oh, I love you, baby)
And all I gotta say, yeah is your love?s extraordinary
You?re extraordinary
All I wanna do
(Ain't love such a sweet thang?)
Is stay 'til early in the morning
(Oh, I love you, baby!)
And all I gotta say, yeah
(Ain't love such a sweet thang?)
Is your love?s extraordinary, you?re extraordinary
All I wanna do

(All I)
All I wanna do
(All I)
