These Arms Of Mine

The Proclaimers

These arms of mine
They are lonely
Lonely and feeling blue

These arms of mine
They are yearning
Yearning from wanting you
And if you

Would let them hold you
How grateful I will be

These arms of mine
The are burning
Burning from wanting you
These arms of mine

The are wanting
Wanting to hold you

And if you
Just let them hold you
How grateful I will be
How grateful I will be

Come on come on baby
Just be my woman
Just be my lover
I need someone

Somebody to hold me tight
And I need
Your warm, warm loving arms
Around me tonight

Just let me hold you
Just let me hold you
Let my arms hold you
Just let them hold you

Please let me hold you
Just let me hold you
Come on let me hold you
Just let me hold you

Please let me hold you
Just let me hold you
