Smokey Blues

Aswad

it's Saturday, and now it's time to rave
I've got a date, with her i can't be late
I've really gotta reach there right on time
it's gettin kinda late now, i wonder if she'll wait?in that
smokey smokey blues, wo-oh-oh-oh
dancehall cock, where to begin?
smokey smokey blues, wo-oh-oh-oh
dancehall cock, well nowso now I'm waitin, anticipating
is she gonna break, this heart of mine?
no need to worry, i see her coming to me
i'm gonna take it one step at a timein this
smokey smokey blues, wo-oh-oh-oh
dancehall cock tonight
smokey smokey blues, wo-oh-oh-oh
dancehall cock tonightsweet music's playing, our bodies swaying
i hold you close as we dance in time
you've got that certain something, it's getting to me
i always wanted you by my sidein this
smokey smokey blues, wo-oh-oh-oh
dancehall cock tonight
smokey smokey blues, wo-oh-oh-oh
dancehall cock tonight(repeat chorus)
