I'm So Angry

Alice Cooper

I'm so angry
I'm so angry
Something that you said burnin' in my head
I'm so angry
I'm so angry
Everything you do makes me furious with youIt's like a poison to me
It's like you put me in shock
You stick a needle in me
Every time that you talkI'm so angry
I'm so stupid
Everything you say, I believe it anyway
I'm so stupid
I'm so angry
Running after you, that's what I gotta doIt's like a poison to me
It's like you put me in shock
You stick a needle in me
Every time that you talkIs there any one at all
Any one you didn't call
Is there any one you didn't deny
Is there any one you missed
Any one you didn't kiss
Is there any law you didn't defyI'm so crazy
I'm so crazy
I used to be so cool, now I'm just your little fool
I'm so crazy
I'm so crazy
Talking in my sleep like a scary little creepIt's like a poison to me
It's like you put me in shock
You stick a needle in me
Every time that you talkIs there any one at all
Anyone you didn't call
Is there any one you didn't deny
Is there any one you missed
Anyone you didn't kiss
Is there any law you didn't defyI'm so angry
I'm so angry
Always chewing nails, it never, ever fails
I'm so angry
I'm so angry

Better hide my knife, better run for your lifeSo Angry
So Angry
I'm so angry
Angry, angry, angry
