

Bug a Boo

Destiny's Child

Advisory - the following lyrics contain explicit language:

You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't coolIt's not hot that you be callin' me
Stressin' me pagin' my beeper
You're just non-stop
And it's not hot
That you be leavin' me messages
Every 10 minutes and then you stop by
When I first met you, you were cool
But it was game you had me fooled
'Cause 20 minutes after I gave you my number
You already had my mailbox full(So what you bought a pair of shoes)
(What now I guess you think I owe you)
(You don't have to call as much as you do)
(I'd give em back to be through with you)
(And so what my momma likes you)
(What now I guess you think I will too)
(Even if the pope he said he liked you too)
I don't really care cause you're a bug a booYou make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!

And don't you see it ain't coolIt's not hot
That when I'm blockin' your phone number
You call me from over your best friends house
And it's not hot
That I can't even go out with my girlfriends
Without you trackin' me down
You need to chill out with that mess
'Cause you can't keep havin' me stressed
'Cause every time my phone rings it seems to be you
And I'm prayin' that it is someone else(So what you bought a pair of shoes)
(What now I guess you think I owe you)
(You don't have to call as much as you do)
(I'd give em back to be through with you)
(And so what my momma likes you)
(What now I guess you think I will too)
(Even if the pope he said he liked you too)
I don't give a damn 'cause you're a bug a booYou make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't coolWhen you call me on the phone you're buggin' me
When you follow me around you're buggin' me
Everything you do be buggin' me
You buggin' me, you buggin' me
When you show up at my door you buggin' me
When you open up your mouth you buggin' me
Every time i see your face you're buggin' me
You're buggin' me, you're buggin' meYou make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't coolYou make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
'Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop

'Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me!
And don't you see it ain't coolThou shall not give in to temptation
