

God Bless Us Everyone

[Andrea Bocelli](#)

Come together one and all
In the giving spirit
Gifts abound here great and small
Joyously we feel it
Blessings sent us from above
Guide us on our way
We raise our voice as we rejoice
Bow our head and pray
A miracle has just begun
God bless us everyone
To the voices no one hears
We have come to find you
With your laughter and your tears
Goodness, hope and virtue
Father, mother, daughter, son
Each a treasure be
One candle's light dispels the night
Now our eyes can see
Burning brighter than the sun
God bless us everyone
A miracle has just begun
God bless us everyone
Come together one and all
In the giving spirit
Gifts abound here great and small
Joyously we feel it
Father, mother, daughter, son
Each a treasure be
One candle's light dispels the night
Now our eyes can see
Burning brighter than the sun
God bless us everyone
A miracle has just begun
God bless us everyone
