Pride

American Authors

My home don't feel the same
Last year flew by goodbye to the good vibes
What we thought were the best times
Nights out with the people I love
Now I'm lost in the neighborhood
That raised me, praised me, made me who I am
But my father was twice the man
And now that pain's resurfacingBrooklyn don't feel the same
Maybe I'm the one who's changed or the one to blame
Another drink down the drain
Ten more before I get on that plane
I swear I knew just what to say
It's all there on the tip of my tongue
But I don't feel good enough for anyoneBut I won't fold
I know 'cause I-I-I-I got this feelingI ain't never giving up, I ain't never ever, I ain't never ever giving up my pride
I ain't never letting go, I ain't never ever, I ain't never ever gonna sell my soul
I-I-I-I got this feeling
I-I-I got this feeling
I ain't never giving up, I ain't never ever, I ain't never ever giving up my pridePushed out of the family tree
Upside down, but it was a good life
I fell hard for the wine in France
I didn't call you back 'cause I was learning to dance
And just who I'd become
It's all there on the tip of my tongue
Wish I was good enough for anyoneNo, I won't fold
I know 'cause I-I-I-I got this feelingI ain't never giving up, I ain't never ever, I ain't never ever giving up my pride
I ain't never letting go, I ain't never ever, I ain't never ever gonna sell my soul
I-I-I-I got this feeling
I-I-I got this feeling
I ain't never giving up, I ain't never ever, I ain't never ever giving up my prideTake or leave who I am
'Cause this is meLike a fish out of water
Do I belong here?
But I'm never gonna lose, I'm never giving up my pride
I'm lost in the ocean
Like a note in a bottle
But I'm never gonna lose, I'm never giving up my prideThis is me, who I amI ain't never giving up, I ain't never ever, I ain't never ever giving up my pride

I ain't never letting go, I ain't never ever, I ain't never ever gonna sell my soul
I-I-I-I got this feeling
I-I-I got this feeling
I ain't never giving up, I ain't never ever, I ain't never ever giving up my prideTake or leave who I am
'Cause this is me
