Don't Rush

Silk

Do you like, do you like
Do you like what you see?
Do you like, do you like
Do you like what you see?
Don't rush, baby, don't rush
(Hey, hey, hey, Ooh)
Don't rush, baby, don't rush
(Hey, hey, hey, Ooh)
Don't rush, baby, don't rush
(Hey, hey, hey, hey, yeah)
Don't rush, baby, don't rush
(Do you like what you see?)
I know it's after midnight, baby
You said you've gotta be to work at eight
I'm feelin' kinda kinky right now, baby
I'm tellin' you, you might have to be late
(Woh, don't rush me)
Don't rush, baby don't rush
(Ooh no)
Don't rush, baby don't rush
(I wanna take my time and do it right)
(Ooh, yeah baby)
Don't rush, baby don't rush
(Don't rush me, yeah)
Don't rush, baby don't rush
(I wanna take my time and do it right, oh)
When I'm in my grove I wanna make you move, baby
I wanna take my time and give you good lovin' again, girlfriend
'Cuz nobody else, baby, girl, you are so fine
Your love's constantly on my mind, baby
You'll never know
(You'll never know, baby)
How far we'll go
(Just how far we'll go)
I'm keepin' it strong
(Keepin' it strong)
All night long
(All night long)
All night long

(All night long)
All night long
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
Do you like, do you like
Do you like what you see?
Do you like, do you like
Do you like what you see?
Don't rush baby, don?t rush
Don't rush baby, don?t rush
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
(Don't rush baby, don?t rush)
Do you like, do you like
Do you like what you see?
Do you like, do you like
Do you like what you see?
Do you like, do you like
Do you like what you see?
