Tremors

Filter

Standing I'm standing my heart to the crowd
Wish I could help you, you won't take it now
Hold out the rope that's as far as I goWish you could take it you don't see my hand
Youu!! to think it's enough
The traps in the kitchen now
The stage is set, to start your addiction yeah
To bring it to life
The traps in the kitchen yeah
Loving and hating me and just goes round
Golden and stupid it all keeps you bound
Tremors and shaking and starting to drownWish I could help you, you won't take it now
You! to think it's enough
The traps in the kitchen now
The stage is set, to start your addiction yeah
To bring it to life
The traps in the kitchen yeah
The stage is set, to start your addiction yeahTime waits for nothing and no one
I reach out my hand to bring you back
Bring you back
You to think it's enough
The traps in the kitchen now
The stage is set, to start your addiction yeah
To bring it to life
The traps in the kitchen yeah
The stage is set, to start your addiction yeah
