

# (There's Gonna Be) Sex Tonite

## TISM

She slagged Helen Garner, he said "You're right"  
He shook his dreadlocks and condemned Wayne Carey

She offered him tofu; both were quite hairy -There's gonna be sex tonightInterval at the theatre - they both hit it off

Discussing the meaning of Anton Chekhov;  
The director they hated, the actress? - they panned her;  
What they acted out later weren't exactly Uncle VaniaOn the deck of the boat she pointed out east  
Said "A whale is in fact an air breathing beast"  
He really liked nature; he was out of the slammer  
He had a gram of cocaine and a video camera
