Just A Reminder

Craig David

[Verse 1:]
Baby dry your weepin' eyes, just let me say
You've been carryin' the weight of the world like a true queen
Baby I'm not what you want, but I'm what you need
You've been travellin' alone for so long let me be there
So I can hold you in my arms, keep you safe from harm
Every time you wonder baby what's goin' on[Chorus:]
This is just a reminder
To tell you that I still care
About you woman, oh yeah, about you lady
This is just a reminder
To tell you that I believe
You're the only one who knows just how to save me (oh yes)
You're the echo in my world that's goin' crazy[Verse 2:]
I remember all the times, how you used to read my mind
If I told you where I'd been, girl you'd know where we were goin'
Baby things are different now, but I think somehow
We could turn back the hands of time like it was nothing
And I would hold you in my arms, keep you safe from harm
Every time you wonder baby what's goin' on[Chorus:][Bridge:]
So baby let's just take this madness
Throw it all far away
You're still the one I love and it will always be that way
Baby let's just take this sadness
That keeps gettin' in the way
Don't wanna let you get away
Baby let's just take this madness
Throw it all far away
I don't wanna be alone, without you girl another day
Baby let's just take this sadness
Don't ever wanna let you go
I can't let you go[Chorus:]
This is just a reminder (oh yeah)
To tell you that I still care (la la la la, la la la, la la no no no)(This) this is just a reminder (just a reminder)
To tell you that I believe
You're the only one who knows just how to save me (oh yeah)
You're the echo in my world that's goin' crazyThis is just a reminder
To tell you that I still care (tell you that I still care, yeah yeah, no no no no no no no)This is just a reminder (just a reminder)

To tell you that I believe (ooh no no no no no no)
You're the only one who knows just how to save me
You're the echo in my world that's goin' crazy[Outro:]
It's just a reminder
To tell ya, that I still care baby
Na na na na na na na
Baby, this is just a reminder
To tell you that I still care
La na na na na, na na na na na girl
Ooh yeah
