

Reason

Doubledrive

What are you taken
Misleading again
And that face that you're making
You

Better clean it when you can can canWe're gonna suffer

Inquisition form the pharisees
I know you didn't mean to move by
And leave me to take the blame
Let them right

What was left of meAnd the REASON I get this
The REASON I get this
Way

I don't know - I don't knowCome in relax and have a seat
You look sort of nervous and ashamed
I know you've never seen the fall guy
Take the dive and wear the scar

But trophy the painYOU BETTER BELIEVE I WATCHED YOU SUFFERand the REASON I get this . . .but
is it worth the painI know
the reason I get this
the reason I get this
the reason I get this way everyday
the reason I get this way
and the reason I get this way
I don'tdon't know
The reason I get this way
