

Scary Song

The Frankenstein Drag Queens from Planet 13

There's something underneath your bed,
Pull the sheets up over your head,
you hear something what was that?
BooAfraid of things that go bump in the night,
The candle in the pumpkin is the only light,
So get ready for the fright of your life. YeahBaby let me sing you a scary song,
Put on your halloween mask and sing along,
It's a creature feature baby from dusk til dawn,
Baby let me sing you a scary song,He walks tall and carries a butcher knife
The boogiemane only wants to take your life,
Can't kill him off, he'll just come right back in part two.
Boo.Baby let me sing you a scary song,
Put on your halloween mask and sing along,
It's a creature feature baby from dusk til dawn,
Baby let me sing you a scary song.
