7 Keys

Aqualung

It wasn't open
But somehow you let yourself in
Closed off and broken
I never wanted to go there againI wasn't waiting
But you came at just the right time
Weary and wasted
I never knew I could feel so aliveDarling believe
You're closer than anyone has ever been
Oh baby don't leave me alone, I'm yours for eternity
You'll hold the seven keys to my soul
Oh yeah yeah angelFeel so connected
Like I've know you all along
I never expected
To fall into loving so deep, so deep and so strongDarling believe
You're closer than anyone has ever been
Oh baby don't leave me alone, I'm yours for eternity
You hold the seven keys to my soulCloser than anyone
This is where we belong
Closer than anyone
This is where we belongCloser than anyone
This is where we belong
Closer than anyone
This is where we belongDarling believe
You're closer than anyone has ever been
So baby don't leave me alone, I'm yours for eternity
You hold the seven keys to my soul
