# Reason To Live

## ZOEgirl

What is the meaning of life?
I've asked myself so many times
Is there a reason I'm here?
I wish someone would make it clear
'Cause I'm living from day to day, feeling so far away
Maybe I'm not as sane as I thought
Keeping my eyes on You is something I've gotta do
Even when I don't feel like itI won't give up, I won't give in
I'm ready for my life to start again
I won't back down, I'll stand my ground
The time is now to show the love I've found
I've got a reason to breathe, I've got the freedom to stand
The future is mine, I'll give it all I can
To break down the walls that hold me in
It's my reason to liveMy reason to wake up every day and bless Your name
In the crush of this crazy messed up world
Only You have stayed the same
I know I have a place here in amazing grace
Forever safe, forever sound
Time after time I see You are the best in me
You're everything I'm chasing afterListen as the walls fall down
Hear the nations calling out
