Wasted in Jackson (2)

Lauren Pritchard

Screen doors slamming, a wood-haven laughing
We better take cover, careful, we're gonna get
Caught in the rain if you don't hurry I got a vision of somewhere
And I've seen places in this book I borrowed from my uncle
Stick around, stick around, all I hear is stick aroundBut everybody's wasted, I don't wanna waste in Jackson
Never gonna face it, no one wants a change in Jackson
But I'm wide awake now, breaking out, breaking out, sorry townIt's like being stuck in Disney Land, it's perfect, ain't it?
But there's not a single good ride
I'm tired of playing cowboys and Indians with you
Nothing comes from nothing and there's so much that I hear
Stick around, stick around, all I hear is stick aroundBut everybody's wasted, I don't wanna waste in Jackson
Never gonna face it, no one wants a change in Jackson
But I'm wide awake now, breaking out, breaking out, sorry townHell, I'll never take you with me
You just keep on chucking through me
There's no use in coming for me
Stick around, stick around, all I hear is stick aroundBut everybody's wasted and I don't wanna waste in Jackson
Never gonna face it, no one wants a change in Jackson
But I'm wide awake now, breaking out, breaking out, sorry town
Breaking out, breaking out, sorry town
I'm breaking out, I'm sorry town, I'm breaking, I'm breaking out
I'm, I'm sorry townBreaking out, breaking out, sorry town
I'm breaking out, I'm sorry town, I'm breaking, I'm breaking out
I'm, I'm sorry town
