

To Hell with the Devil

[Stryper](#)

We speak of the devil
He's no friend of mine
To turn from him is what we have in mind Just a liar and a thief
The word tells us so
We like to let him know
Where he can go To hell with the devil
To hell with the devil When things are going wrong
You know who to blame
He will always live
Up to his name He's never been the answer
There's a better way
We are here to rock out
And to say To hell with the devil
To hell with the devil To hell with the devil
To hell with the devil To hell with the devil
To hell with the devil To hell with the devil
To hell with the devil
