Another Wordly Device

Prong

Time for reward it's been so hard just living here
Transcend the self remove the sight ending the fear
Escape the fault widen the gap, kill off the factsThat are gonna hurt my mind
That are gonna stain my soul
Another worldly device, that may ruin meThat are gonna ruin my goals
That are gonna take its toll
Another worldly device, another worldly releaseTake back myself from this here self
The ones that you do must hold some truth
To what you should I will perceive the will persistsI must omit what's gonna hurt my mind
What's gonna stain my soul
Another worldly device that may ruin meNot gonna block my goals
Not gonna take its toll, another worldly device
Another worldly device more wrong advice
Another broken promise, ohwhat's gonna hurt my mind
What's gonna stain my soul
Another worldly device that may ruin meNot gonna block my goals
Not gonna take its toll, another worldly device
Another worldly device, another worldly device
