

# Will Not Back Down

## Alex Band

I let you down  
But I'll make it up to you somehow in time  
You'll see it's true  
If my will is strong  
And I know that as these days go on  
You'll find I'll get to you  
If it's the last thing i do

Every step you take  
I'll be a second behind  
Every move you make  
I'll be the thorn in your side  
And i know you can't fight this now  
I will not back down  
I'm the sky  
The stars  
The moon  
The setting sun  
I'm the feeling inside you  
when you're coming undone  
You know you can't fight this now  
I will not back down

Some say I'm cruel  
But nobody knows  
What i feel for you  
My love  
You're the only one  
Do you understand?  
I can't let you slip right through my hands  
No, my love  
Don't try to run  
See in my eyes  
You and I  
Are one

Every step you take  
I'll be a second behind  
Every move you make

I'll be the thorn in your side  
And i know you can't fight this now  
I will not back down  
I'm the sky  
The stars  
The moon  
The setting sun  
I'm the feeling inside you  
when you're coming undone  
You know you can't fight this now  
I will not back down

Will not back down  
Every step you take  
I'll be a second behind  
Every move you make  
I'll be the thorn in your side  
And i know you can't fight this now

Every step you take  
I'll be a second behind  
Every move you make  
I'll be the thorn in your side  
And i know you can't fight this now  
I will not back down  
I'm the sky  
The stars  
The moon  
The setting sun  
I'm the feeling inside you  
when you're coming undone  
You know you can't fight this now  
I will not back down  
No  
I will not back down  
I will not back down
