

# The Sky is Crying

## Crying Machine

The sky is crying,  
Look at the tears rolling down the streets.

The sky is crying,  
Look at the tears rolling down the streets.

I looked out my window,  
The rain was falling down in sheets.

My baby left me this morning,  
Lord knows I don't know the reason why.

My baby left me this morning,  
I don't know the reason why.  
And everytime I think about it,  
I hang my head and cry.

The sun is shining,  
Although it's raining in my heart.

The sun is shining,  
Although it's raining in my heart.

I love my baby,  
I hate to see us part.

Have you ever loved a woman  
And you know you can't leave her alone?  
Something deep inside of you  
Won't let you wreck your best friend's home.

I got rambling,  
I got rambling all on my mind.

I got rambling,  
I got rambling all on my mind.

I hates to leave my baby,  
But she treats me so unkind.
